

**Registered Practical Nurse  
Full time, temporary contract**

We are looking to expand our nursing team. The successful candidate as a member of our inter-professional team will provide relief nursing coverage for the primary care clinic supporting clients of Country Roads Community Health Centre. The inter-professional team participates in the development, implementation, monitoring and evaluation of primary health care services for individuals, families and the community.

**Key Areas of Responsibility:**

- Clinical leadership including but not limited to: assessment, treatment, chronic disease prevention and management, health education and counseling
- Working to the full scope of practice
- Care coordination and system navigation for complex clients
- Continuity of care includes home visits and provision of extended hours as required
- Working in a manner that reflects an understanding of the determinants of health
- Uses quality improvement practices consistent with evidence-based best practice guidelines
- Collaboration with other members of our inter-professional team including family physicians, nurse practitioners, community pharmacist, social workers, nurses, respiratory therapists, dietitian and community health workers.

**Qualifications:**

1. Undergraduate degree or diploma in nursing from a recognized university/college
2. Licensed as a Registered Practical Nurse in good standing with the College of Nurses of Ontario (CNO)
3. 2 years minimum primary health care experience in a community setting
4. Training and experience in quality improvement
5. Demonstrated commitment to inter-professional team environment
6. Experience with electronic health records
7. Experience in program development, implementation and evaluation an asset
8. Valid Driver's license

CRCHC participates in HOOPP and offers a competitive salary and excellent benefits package. We welcome and encourage applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

**To apply**, interested candidates should send cover letter with resume to the address below by June 4, 2021 at 4pm. Only those candidates eligible for an interview will be contacted.
